### Notice regarding Dissolution of Consolidated Subsidiary

EXEDY Corporation (the "Company") hereby announces that it has resolved, at a meeting of the Board of Directors held on today to dissolve and liquidate our consolidated subsidiary, EXEDY America Corporation ("EAC") as described below.

#### 1. Reason for the dissolution

EAC mainly manufactures torque converters for automobiles, but orders for torque converters at EAC have been sluggish due to the increasing shift to EVs in the North American market.

To secure and improve the profitability of the current business, The Company is reorganizing its global production capacity in consultation with our customers as part of the structural reform of the automatic transmission related business (AT business).

In the process, it was evaluated that it would be difficult to secure the production volume of torque converters and improve the profitability of EAC, and the decision was made to dissolve and proceed with liquidation procedures of EAC.
